BEHIND THE

Bilal Ghumman

FOR IMMEDIATE RELEASE

Independent Pakistani singer-songwriter Bilal Ghumman releases his Arabic x Punjabi fusion single **BEHIND THE** - a song about long nights, a tired heart, unshakable faith, and a dream bigger than people's opinions.

About The Song

BEHIND THE blends Arabic, Punjabi and Urdu with modern R&B and Soul. It opens with the line *Al lail taweel wa ma fi noom* - the night is long and there is no sleep - and moves through patience, faith and resilience: *Qalbi ta'ban bas sabir, Rabbi ma'i wa ana qayim, Ma astaslim abada* - my heart is tired but I am patient, God is with me and I am standing, I will never give up.

The Punjabi line *Lokan di soch ton wadda mera khwab ae* - my dream is bigger than what people think - gives the song its core message: keep going quietly, even when no one is watching.
